

IPv6 Forum Jordan 1st Conference, July 29th 2010

Co-located with Next Gen Mobile Apps Services & Technologies
Conference – NGMAST 2010

Time & location: **Thursday 29 July 2010 From 9am to 2pm** , PSUT University Campus , Amman
Venue: Princess Sumaya University for Technology (PSUT), near Jordan University Street

Program: Speakers:

1. Vint Cerf (Google VP and Internet founder) – Presenting a video message to attendees
2. Alaa Aldin Al-Radhi (IPv6 Forum – Jordan Chapter) – Keynote Speaker
3. Ahmed Abu-Abed (IPv6 Forum – Jordan Chapter) – Technical Seminars
4. Emile Aben (RIPE NCC, Reseaux IP Europeans) – Technical Seminars

Materials Presented: Attendants will have authorized copies of the following on a CD:

- New IPv6 book by Lawrence Hughes, “The Second Internet”, published in 2010
- IPv6 Connectivity Test Tool for networked computers
- Software IPv6 tunnel-broker client for PCs. Enables each computer with a globally routable static IPv6 address. Can optionally serve websites (over both IPv4 and IPv6) over the Internet from the same personal computer using a built-in version of Apache on IPv6.

IPv6 Jordan Conference Detailed Program:

9:00 to 9.30	Registration	Attendants registration and introductions
9.30 to 9.45	Vint Cerf (Google, Honorary President of IPv6 Forum)	Welcome Message – The Importance of Transition to IPv6 (remote video presentation)
9.45 to 10.15	Alaa Aldin Al-Radhi (IPv6 Forum - Jordan)	Keynote Speech – The Rapid Exhaustion of IPv4 and the Challenges of IPv6 Transition
10.15 to 10.30	Coffee Break	
10.30 to 11.00	Emile Aben (RIPE NCC)	IPv6 Ripeness Rating System for Service Providers
11.00 to 11.30	Ahmed Abu-Abed (IPv6 Forum - Jordan)	Software Applications and Web Site Transition to IPv6: Requirements and Validation Methods
11.30 to 12.00	Emile Aben (RIPE NCC)	IPv6 Readiness of Web Clients and Caching Resolvers
12.00 to 12.30	Coffee Break	
12.30 to 13.15	Ahmed Abu-Abed (IPv6 Forum - Jordan)	Setting up a Simple IPv6 Test Lab for Application and Network Testing plus Tunnel-Broker Demo
13.15 to 14.00	Alaa Aldin Al-Radhi (IPv6 Forum - Jordan)	Closing Remarks and Attendants Participation and Questions on IPv6 Readiness

Participation Fees: JD25 per person (equivalent to USD 35) for IPv6 Conference – Jordan
